

CDSE Guidelines

Full details on the operation of the scheme are contained within the [CDSE Guidelines](#) which can be obtained on the ClubsNSW website www.clubsnsw.com.au

Applicants should read the new guidelines to determine whether they are eligible for CDSE funding. There are two funding categories under the CDSE Scheme and we are currently taking applications for Category 1, which is expenditure on specific community welfare and social services, community development, community health services and employment assistance activities.
