

North Sydney Leagues Photographic Society

Our club is going from strength to strength, with the addition of new members almost every month.

The club has purchased more studio lighting equipment through the largesse of our parent club. Recently we put our equipment to task and successfully ran a studio portrait shoot to all interested members. Portraits were showcased at the following meeting with some brilliant work produced.

Last month the club entered the NSW Interleagues club competition, and won two sections, Colour prints and Monochrome prints. Our president, Kerry Boytell took out top colour print, and one of our other members Steve Mullarky won top Monochrome print. Merits were also won by members in all sections. We recently hosted a friendly interclub competition at the North Sydney Leagues Club with Northside Creative and Lane Cove Camera Clubs. Our results speak for themselves we topped the field and won the night.

Without a doubt our club is one of the strongest photographic clubs in the state.

Our next photographic weekend away will be to Newcastle and its environs slated for 8th and 9th of August.

The Photographic Society meets on the 1st and 3rd Tuesdays of the month at 8pm in the Kamaraigal room, all visitors are most welcome. On the 1st Tuesday of the month we welcome presentations from professionals and enthusiasts in their field of expertise. We eagerly await our next presentations from Mick Connolly and Daniel Linnet in September and October.
